

OKAYAMA
UNIVERSITY

ON-DEMAND WEBINAR

Guidance for the Graduate School of
Environmental, Life, Natural Science and
Technology, Okayama University

6 [WED] - 15 [FRI] | March
2024

The Graduate School of Environmental, Life, Natural Science and Technology was newly established in April 2023, targeting to foster human resources with interdisciplinary knowledge and expertise through the integration of science, engineering, and agriculture. The purpose of this on-demand webinar is to announce the launch of the new graduate school as well as to guide our international stakeholders on the admission procedures, curriculums, and diploma policies of each degree program implemented in the graduate school.
