II Eligibility for Application, Individual Admission Eligibility Screening

II-1. Eligibility for Application

Those to whom all the following provisions are applicable:

1. Those to whom any of the following items is applicable, or are expected to be applicable by September 2026 in case of October 2026 enrollment or by March 2027 in case of April 2027 enrollment.
 - (1) Have graduated from a Japanese university.
 - (2) Have been awarded a bachelor's degree under the provisions of paragraph (7) of Article 104 of the School Education Law (Law No.26 of 1947).
 - (3) Have completed a 16-year course of school education in a foreign country.
 - (4) Have completed a 16-year course of school education in a foreign country by taking class subjects in Japan through a correspondence course offered by an educational institution in the country.
 - (5) Have completed a program in Japan provided by an educational institution that is positioned as having undergraduate programs under the relevant foreign education system, whose graduates are deemed to have completed a total of 16-year course of school education in that foreign country, and which is designated separately by the Japanese Minister of Education, Culture, Sports, Science and Technology.
 - (6) Have been awarded a degree equivalent to a bachelor's degree by completing a course of study at a foreign university or other foreign school (only those that have been evaluated by a person certified by the relevant foreign government or relevant organization for the overall status of its education and research activities, etc., or those that are separately designated by the Minister of Education, Culture, Sports, Science and Technology as equivalent there to) with a duration of three years or more (including the completion of a course in Japan through the completion of class subjects in correspondence courses offered by a school in a foreign country and the completion of a course at an educational facility designated in the school education system of the foreign country as specified in the preceding item).
 - (7) Have completed a specialized course at a specialized training college in Japan, which is designated separately by the Minister of Education, Culture, Sports, Science and Technology, provided that the course has a program length of four years or more and meets other criteria specified by the Minister, and which was completed on or after the date specified by the Minister.
 - (8) Are designated by the Minister of Education, Culture, Sports, Science and Technology (Refer to Ministry of Education, Science, Sports and Culture Notification No. 5 of 1953).
 - (9) Have been admitted to another graduate school under the provisions of Article 102, paragraph 2 of the School Education Act, and are recognized as having academic abilities appropriate for receiving graduate-level education.
 - (10) Are deemed to have academic ability equal to or greater than that of a university graduate through an individual admission eligibility screening by the Graduate School and have reached the age of 22.
 - (11) Have been enrolled in a university for three or more years and are recognized as having earned the credits required by the graduate school with excellent academic performance.
 - (12) Have completed a 15-year course of school education in a foreign country and are recognized as having earned the credits required by the graduate school with excellent academic performance.
 - (13) Have completed a 15-year course of school education in a foreign country by taking class subjects in Japan through a correspondence course offered by an educational institution in the country and are recognized as having earned the credits required by the graduate school with excellent academic performance.
 - (14) Have completed a program in Japan provided by an educational institution that is positioned as having undergraduate programs under the relevant foreign education system, whose graduates are deemed to have completed a total of 16-year course of school education in that foreign country, and which is designated separately by the Japanese Minister of Education, Culture, Sports, Science and Technology, and are recognized as having earned the credits required by the graduate school with excellent academic performance.
2. Those who don't possess Japanese citizenship and who live outside Japan and are unable to come to Japan to take their entrance examinations.
3. Those who are expected to obtain a visa status of "Student" stipulated in the Immigration Control and Refugee Recognition Act by the time of enrollment in the Graduate School.
4. Those who were recommended by the schools from which they graduated as being particularly excellent in both personality and academic ability.
5. Those who have passed a selection process, such as scholarship and training systems, made by public organizations at home and abroad, or those who have prior approval from your prospective supervisor.

- Note 1: Those who fall under the item (2) of Provision 1 refers to applicants who meet either of the following conditions.
- (1) Those who can submit a certificate of degree conferment (or acceptance of application for degree conferment) issued by the National Institution for Academic Degrees and Quality Enhancement of Higher Education.
 - (2) Those who are enrolled in a specialized program recognized by the National Institution for Academic Degrees and Quality Enhancement of Higher Education as meeting the requirements established under Article 6, Paragraph 1 of the Degree Regulations (Ministry of Education, Science, Sports and Culture Ordinance No. 9 of 1953) and for whom completion of the program is expected, and whose intention to apply for a bachelor's degree can be certified by the president of the junior college or technical college where the program is offered.
- Note 2: Those who "Have completed a 16-year course of school education in a foreign country" specified in item (3) of Provision 1 refers to applicants who have completed a regular 16-year course of school education in a foreign country.
- In addition, applicants who studied in a country where 16 years of education are required to complete a university degree but advanced by skipping a grade are also eligible, provided they have completed the 16th year of schooling, even if they are under the age of 22.
- Note 3: Those who "Have been admitted to another graduate school under the provisions of Article 102, paragraph 2 of the School Education Act, and are recognized as having academic abilities appropriate for receiving graduate-level education" specified in item (9) of Provision 1 refers to applicants who wish to transfer into this graduate school after being admitted to another graduate school and who are able to submit the "<11> Certificate of Enrollment Period Issued by the Other Graduate School" described in "5. Documents Required for Application" of "III-1. Application Procedures".
- Note 4: Those who "Are deemed to have academic ability equal to or greater than that of a university graduate through an individual admission eligibility screening by the Graduate School" specified in item (10) of Provision 1 refers to applicants who have recognized as eligible for admission after undergoing an academic proficiency test (written and oral examinations) after the document screening.
- However, when an applicant's ability can be confirmed based on the documents submitted, the applicant will be exempted from the written examination.
- Note 5: Those who apply under the items (10) through (14) of Provision 1 are required to undergo an eligibility screening prior to application, so please refer to the "II-2. Individual Admission Eligibility Screening in Eligibility for Application" and submit necessary documents by the designated deadline.
- Note 6: Those who "Have completed a 15-year course of school education in a foreign country" specified in item (12) of Provision 1 include those who have skipped a grade in a country where 15 years of education are required to complete a university degree and have completed their university education.
- Note 7: We withdraw permission for admission for those who applied as a prospective degree holder but failed to be awarded the degree by September 2026 in case of October 2026 enrollment or by March 2027 in case of April 2027 enrollment.
- Note 8: Those "who live outside Japan and are unable to come to Japan to take their entrance examinations" specified in Provision 2 include people who are staying in Japan at the time of application but depart from Japan because their duration of stay expires by the end of July 2026 in case of October 2026 enrollment or by November 2026 in case of April 2027 enrollment.
- For more details, please contact "Address for Submission of Documents / Inquiries".

II-2. Individual Admission Eligibility Screening in Eligibility for Application

For those applicants for admission who fall under the items (10) through (14) of Provision 1 specified in the previously described “II-1. Eligibility for Application”, we conduct individual admission eligibility screenings for the approval of admission eligibility before application. The applicants must submit the documents required for the admission eligibility screening specified in Provision 2 by the deadline stated in Provision 1.

1. Submission Period of Documents for Admission Eligibility Screening

October 2026 Enrollment	May 27, 2026 to May 28, 2026
April 2027 Enrollment	October 27, 2026 to October 28, 2026

2. Documents Required for Admission Eligibility Screening

Documents Required for Admission Eligibility Screening	Remarks	Eligibility for Application	
		Item (10) of Provision 1	Items (11) through (14) of Provision 1
<1> Application Form for Admission Eligibility Screening	Use the forms prescribed by the Graduate School.	●	●
<2> Academic Transcript and Graduation Certificate (of last completed education)	Submit a graduation certificate issued by the president of the last school from which you graduated.	●	●
<3>Curriculum Vitae (CV)	Use the forms prescribed by the Graduate School.	●	
<4> Record of Academic Performance	Use the forms prescribed by the Graduate School.	●	
<5>Certificate of Research Participation	Use the forms prescribed by the Graduate School.	●	
<6>Statement of Purpose	Use the forms prescribed by the Graduate School.	●	
<7>Recommendation Letter	Use the forms prescribed by the Graduate School.		●
<8>Research Planning Sheet	Use the forms prescribed by the Graduate School.	●	●

Note 1: All documents mentioned above must be prepared in English, in principle. (When English is not your native language, attach English translations.)

Note 2: The documents <1> through <8> must be submitted in original. For documents <2>, a copy of the original document is also acceptable only if the copy is certified by the issuer.

3. Address for Submission of Documents

Please submit all documents required to “Address for Submission of Documents / Inquiries”.

4. Methods of Admission Eligibility Screening

Applicants who fall under the items (11) through (14) of Provision 1 specified in the previously described “II-1. Eligibility for Application”, we conduct the eligibility screening based on the documents submitted.

Applicants who fall under the item (10) of Provision 1, we conduct the eligibility screening based

on the documents submitted, written and oral examinations (including an interview), etc. The written examination will assess basic academic abilities equivalent to those of a university graduate, as well as subjects specified by each course. However, depending on the results of the document screening, part or all of the written examination may be waived. Details regarding the examination subjects to be waived and the schedule of the screening will be individually notified.

5. Notification of the Result of Admission Eligibility Screening

The result of the Admission Eligibility Screening will be notified through your prospective supervisor according to the schedule below.

October 2026 Enrollment	June 25, 2026 (to be determined)
April 2027 Enrollment	November 26, 2026 (to be determined)

6. Notes on Admission Eligibility Screening

- (1) Those who apply under the item (11) of Provision 1 and are admitted will be considered to have withdrawn their undergraduate program. Please note that such applicants will also no longer be eligible to take national examinations or other qualification tests that require graduation from a university undergraduate program.
- (2) Applicants applying under the items (11) through (14) of Provision 1 must meet all of the following conditions. Also, the final eligibility screening will be conducted based on the academic records at the completion of the third year (or upon completion of a 15-year course of education). Applicants who do not meet the academic standards listed below at that time will not be eligible for admission.
 - Applicants are expected to complete all credits required for graduation (or completion of the program) by the end of the third year (or by the completion of a 15-year course of education).
 - Of the courses corresponding to the graduation (or completion) requirements that have been completed, at least 80% are expected to have been evaluated at 80 points or higher out of 100 (or with equivalent grades).
- (3) Applicants whose admission eligibility has been approved may apply only to the course for which they submitted the eligibility screening application.

III Application Procedures, Methods for Selection of Entrants, Announcement of Successful Applicants, Admission Procedures

Applicants must contact a prospective supervisor as early as possible before application to consult about research contents, etc.

III-1. Application Procedures

1. How to Apply

Applicants must complete all the procedures described in items (1) through (3) below:

- (1) Before preparing documents for application, applicants must directly contact a prospective supervisor at Graduate School of Environmental, Life, Natural Science and Technology by means such as email, consult about research and education after enrollment, obtain approval to take the examination, and receive a copy of "Letter of Informal Acceptance by Prospective Supervisor". With regard to prospective supervisors at Graduate School of Environmental, Life, Natural Science and Technology, please refer to the webpage.
- (2) Pay the entrance examination fee after having obtained approval from the prospective supervisor. (Except those who are exempted from payment.)
- (3) Send all the documents for application by post to arrive **no later than the date stated in "2. Application Period"**.

2. Application Period

October 2026 Enrollment	June 25, 2026 to July 9, 2026
April 2027 Enrollment	November 27, 2026 to December 11, 2026

3. Address for Submission of Documents

Please submit all documents required to "Address for Submission of Documents / Inquiries".

4. Notes on Application

- (1) No change shall be permitted after submission in terms of the contents of the documents submitted.
- (2) No document shall be returned for any reason after the application documents are accepted.
- (3) Application with incomplete application documents or shortage of examination fee shall not be accepted.
- (4) Please note carefully that admission might be withdrawn even after enrollment if the contents of the submitted documents are found to include false entries.
- (5) Certificates issued under the former name, which differs from the name written on the application form are useful. However, in such case, attach a document (in any form) with the date of name change and the new and the former name, which are written personally by the applicant.
- (6) Additional application documents may be requested to verify the eligibility for application.

5. Documents Required for Application

Documents Required for Application	Remarks
<1> Application for admission Curriculum Vitae (CV) Photograph	<p>Use the forms prescribed by the Graduate School.</p> <p>Affix a photograph (4 cm long × 3 cm wide, upper body, no headwear, facing forward, taken within the three months before application) on the prescribed space on the “Application for admission”.</p> <p>Before affixing it, write your nationality and name on the back of the photograph.</p>
<2> Entrance Examination Fee	<p>30,000yen (handling fees will be charged separately)</p> <p>Please refer to [Paying for Entrance Examination Fees] below and pay the entrance examination fee by 5 p.m. (Japan time) on the last day of the application period on [Payment for Entrance Examination Fee website].</p> <p>In addition, please be sure to choose “Credit Card” for payment method. Other payment methods cannot use from overseas.</p> <p>After confirming the payment of the entrance examination fee, print “Certificate of Entrance Examination Fee Payment” and attach it to the prescribed section of the prescribed form.</p> <p>[Paying for Entrance Examination Fees] https://www.elst.okayama-u.ac.jp/wp-content/uploads/2026/03/pay_overseas_eng.pdf</p> <p>[Payment for Entrance Examination Fee website] https://e-apply.jp/n/okayama-payment-eng</p> <p>If you could not pay by the payment method above, contact “Address for Submission of Documents / Inquiries”.</p> <p>Applicants who are MEXT Scholarship students (only those whose MEXT Scholarship after October 1, 2026 in case of October 2026 enrollment or after April 1, 2027 in case of April 2027 enrollment is confirmed) need NOT pay the entrance examination fee.</p> <p>[Refund of Entrance Examination Fee] The entrance examination fee paid is not refundable for any reason, except in the following cases:</p> <ol style="list-style-type: none"> a) Entrance examination fee was paid, but application was not made (application documents were not submitted or not accepted.) b) Entrance examination fee was accidentally transferred twice.
<3> (Prospective) Graduation Certificate from University	Submit certificates issued by the university from which you graduated (or will graduate).
<4> Transcript of University	

Documents Required for Application	Remarks
<5> Abstract of Papers Submitted	Submit an abstract of bachelor's thesis or an equivalent research paper (in English). In addition, if applicable, submit a list of research achievements after earning the bachelor's degree and one or two representative papers related to them.
<6> Research Plan	Use the form prescribed by the Graduate School.
<7> Document Certifying English Language Ability (TOEIC®, TOEFL-iBT®, etc.)	When you have not taken TOEIC®, TOEFL-iBT® or other tests, submit a certificate of English ability issued by the university, etc. from which you most recently graduated. (If your native language is English, please submit a certificate that certifies you received your last completed education in English issued by the university, etc.)
<8> Copy of Passport or Certificate of Citizenship in Home Country or Copy of Family Registry	Submit a copy of the page of passport which can confirm the name, the date of birth, etc. When not possessing the passport, please submit the certificate which is acquired in your home country such as citizen membership or copy of the family register, etc.
<9> Recommendation Letter to the President	Use the form prescribed by Graduate School and submit a letter. Recommender should be the head of university or department (President or Dean) that you graduated most recently from or that you are currently enrolled in if you are still a student and are expected to graduate. In addition to the above letter, applicants with a job can also submit a recommendation letter prepared in any format by your supervisor at your current working place, if you want. [Planetary Materials Science Course Only] Please send the PDF data of the letters of recommendation to the prospective supervisor in advance.
<10> Certificate of Bachelor's Degree Conferment (or Acceptance of Application for Degree Conferment)	Applicants who (are expected to) fall under the item (2) of Provision 1 of "II-1. Eligibility for Application" are required to submit the following. [Applicants Who Were Awarded a Degree] A certificate of degree conferment issued by the National Institution for Academic Degrees and Quality Enhancement of Higher Education [Applicants Who Are Applying for Degree Conferment] A certificate of acceptance of application for degree conferment issued by the National Institution for Academic Degrees and Quality Enhancement of Higher Education [Applicants Who Are Planning to Apply for Degree Conferment] Please submit the following certificates issued and tightly sealed by the president of the junior college or technical college. a) A certificate of expected completion of a specialized program b) A certificate of the intention to apply for a degree conferment

Documents Required for Application	Remarks
<11> Certificate of Enrollment Period Issued by the Other Graduate School	Applicants who fall under the item (9) of Provision 1 of “II-1. Eligibility for Application” are required to submit this.
<12> Document Confirming Success in Selection by Public Organizations at Home and Abroad	As prescribed in Provision 5 of “II-1. Eligibility for Application”, those who have passed a selection process, such as scholarship and training systems, made by public organizations at home and abroad, submit a (copy of) letter of acceptance, notification of employment, etc.
<13> Letter of Acceptance by Prospective Supervisor	Contact to your prospective supervisor at Graduate School to prepare the document. Submit a copy of the letter written by your prospective supervisor. However, as prescribed in Provision 5 of “II-1. Eligibility for Application”, those who have passed a selection process, such as scholarship and training systems, made by public organizations at home and abroad, do not need to submit it.

Note 1: All documents to be submitted must be prepared in the same size (preferably A4 size) and be typewritten.

Note 2: We do not accept documents that are incomplete, not written completely and accurately, or which are received after the deadline for submission.

Note 3: The previously described documents **must be prepared in English**, except <13>. (When English is not your native language, attach English translations.)

Note 4: **Documents <1>, <3>, <4>, <6>, <9>, <10>, and <11> must be submitted in original.** For documents<3> and <4>, a copy of the original document is also acceptable only if the copy is certified by the issuer.

Note 5: Applicants whose admission eligibility has been confirmed through the Admission Eligibility Screening are not required to submit certificates <3> and <4>.

III-2. Methods for Selection of Entrants

Selection of entrants shall be made based on document screening and pass or failure is determined.

III-3. Announcement of Successful Applicants

A letter of acceptance and others will be given to the successful applicants through their prospective supervisor on the day of the announcement described below.

October 2026 Enrollment	July 31, 2026
April 2027 Enrollment	January 22, 2027

III-4. Admission Procedures

1. Method of Admission Procedures

Successful applicants will be admitted by completing the admission procedures.
Details will be notified separately with a letter of acceptance.

2. Period of Admission Procedures

October 2026 Enrollment	September 17, 2026 to September 18, 2026
April 2027 Enrollment	March 11, 2027 to March 12, 2027

III-5. Other

1. Admission Fee and Tuition Fee

(Applicable only for self-supporting international students. MEXT Scholarship students need not pay.)

Admission fee: 282,000 yen (expected amount)

Tuition fee: 267,900 yen (for half a year); 535,800 yen (for a year)

* When the amount was revised at the time of admission or while at school, the new amount will be applied from the time of the revision.

2. Study Assistance and Dormitories

For self-supporting international students, we have systems as part of study assistance: admission fee waiver, postponement of admission fee collection, tuition fee waiver, and various scholarships. If your academic achievement, income, etc. meet the requirements, you may apply for admission fee waiver, postponement of admission fee collection, and tuition fee waiver and have a full or half waiver, or you may apply for various scholarships and receive scholarship benefits.

Also, Okayama University has four dormitories for international students and researchers: Kuwanoki Dormitory for International Students, Fukui Dormitory for International Students, International House for International Students and Researchers, and International Student Shared House, which is for international and Japanese students. All of these dormitories are within walking distance of the Tsushima campus.

Inquiry about scholarship, dormitories, etc.:

International Education and Student Mobility Division
Okayama University
2-1-1, Tsushima-naka kita-ku, Okayama 700-8530, Japan

Website: <https://intl.okayama-u.ac.jp/en/support/>

Fax: +81-86-252-5022 (from overseas)

Fax: 086-252-5022 (from inside Japan)

E-mail: dde7046@adm.okayama-u.ac.jp (Scholarship)

housing@cc.okayama-u.ac.jp (Dormitory)

3. Notes

It is recommended that international students have sufficient knowledge of the climate, weather, and customs of Japan as well as the situation of the university in advance before coming to Japan.

Education and research activities will be conducted mainly in Japanese language. Consult with your desired prospective supervisor in advance if you wish to have guidance in English.

In everyday life, you will need Japanese language skills. It is also desired that candidates have studied Japanese language. Okayama University has a Japanese language course for international students. Please take the course if you like.

4. Purpose of Use of Personal Information

Application documents submitted and personal information written on them are used for affairs related to the selection of entrants.

However, regarding entrants, we use their personal information written on the application form, including the name, gender, date of birth, current address, and schools graduated from, as registry data for basic student information in the academic affairs system at Okayama University. In addition, successful applicants' personal information, examinee number and name, are used for clerical systems for tuition fee debt management and tuition fee waiver at Okayama University.

When application for admission fee waiver, postponement of admission fee collection, tuition fee waiver, or various scholarships was made, the applicant's entrance examination results and academic transcript might be used to handle academic ability judgment related to affairs such as postponement of admission fee collection.

5. Security Export Control System

Okayama University has established the "Security Export Control Regulations of Okayama University" under the Security Export Control System based on the "Foreign Exchange and Foreign Trade Act (FEFTA)", and conducts strict screening when accepting foreign students (including Japanese students receiving scholarships from outside Japan).

If you are subjected to this regulation or FEFTA, you may not be accepted or your desired research activities may be restricted.

For details concerning the Security Export Control System in Japan, please refer to the following website. URL: <https://www.meti.go.jp/policy/anpo/englishpage.html>

Address for Submission of Documents / Inquiries (Master's Course)

1) Inquiries should be sent by e-mail with the following information

- (1) Name
- (2) Name of the Faculty and University (Current affiliation or you have graduated/completed)
- (3) Contact e-mail address
- (4) Area of specialization you are currently studying
- (5) Degree(s) you hold
- (6) Which course of study (Master's Course) you are applying to
- (7) Which selection (Overseas Selection for International Students) you are applying to
- (8) Field of study (course) and name of faculty member(s) with whom you wish to consult
- (9) Description of consultation (please be specific)
